Annual Spring Dermatology Review 2011

For Family Physicians

Course Overview

This one and a half day conference was planned with the Primary Care Physician in mind and will endeavour to provide education in dermatology focusing on practical diagnosis and management. The conference format has been very successful and will continue unchanged with a mixture of 25 minute plenary lectures and small group interactive sessions. The interactive case discussions on the last afternoon are very popular and provide participants the opportunity to share experiences and to question the experts.

The conference is the result of collaboration between the UBC Department of Dermatology and Skin Science and UBC Division of Continuing Professional Development. The speakers are drawn from the teaching faculty of the UBC Department of Dermatology and Community Dermatologists.

Simon Fraser University at Harbour Centre is located in Vancouver's historic Spencer building, at the corner of Hastings and Richards streets in the city's Heritage District.

Harbour Centre is directly across the street from Vancouver's transportation hub, Waterfront Station, where Skytrain, Seabus, and Westcoast Express stations conduct visitors and commuters to all parts of metro Vancouver and beyond. The new Canada Line of Skytrain links Waterfront Station directly to the Vancouver International Airport. Public parking is available at many locations near the campus as well.

Parking

Public parking is available at many locations near the Centre. Street parking is free after 8 pm. The closest parking lot is at 400 West Cordova Street.

Public Transit

Major public transit lines, the SeaBus, SkyTrain and WestCoast Express terminate at Waterfront Station, located in the historic CP Rail Station on Cordova Street, opposite Simon Fraser University at Harbour Centre. The Centre is also within easy walking distance of all street buses with a terminus in downtown Vancouver.

Accreditation

The University of British Columbia Division of Continuing Professional Development (UBC CPD) is fully accredited by the Committee on Accreditation of Canadian Medical Schools (CACMS) to provide study credits for continuing medical education for physicians. As well, the Accreditation Council for Continuing Medical Education of the United States (ACCME) maintains a reciprocity relationship with CACMS which the American Medical Association (AMA) recognizes for the purpose of allowing Canadian medical schools the ability to certify activities for AMA PRA Category 1 credits and to award such credits to eligible physicians. This program has been reviewed and approved by the UBC Division of Continuing Professional Development. UBC CPD designates this educational program as meeting the accreditation criteria of the College of Family Physicians of Canada for up to 8.75 MAINPRO M1 credits. This program is an Accredited Group Learning Activity eligible for up to 8.75 Section 1 credits as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. This program also meets the accreditation criteria for a maximum of 8.75 Category 1 credits toward the American Medical Association Physician's Recognition Award. Each physician should claim only those credits he/she actually spent in the activity.
