Course Overview

This one and a half day conference was planned with the Primary Care Physician in mind and will endeavour to provide education in dermatology focusing on practical diagnosis and management. The conference format has been very successful and will continue unchanged with a mixture of 25 minute plenary lectures and small group interactive sessions. The interactive case discussions on the last afternoon are very popular and provide participants the opportunity to share experiences and to question the experts.

The conference is the result of collaboration between the UBC Department of Dermatology and Skin Science and UBC Division of Continuing Professional Development. The speakers are drawn from the teaching faculty of the UBC Department of Dermatology and Community Dermatologists.

Accreditation
The University of British Columbia Division of Continuing Professional Development (UBC CPD) is fully accredited by the Committee on Accreditation of Canadian Medical Schools (CACMS) to provide study credits for continuing medical education for physicians. As well, the Accreditation Council for Continuing Medical Education of the United States (ACCME) maintains a reciprocity relationship with CACMS which the American Medical Association (AMA) recognizes for the purpose of allowing Canadian medical schools the ability to certify activities for AMA PRA Category 1 credits and to award such credits to eligible physicians. This program has been reviewed and approved by the UBC Division of Continuing Professional Development. UBC CPD designates this educational program as meeting the accreditation criteria of the College of Family Physicians of Canada for up to 8.75 MAINPRO M1 credits. This program is an Accredited Group Learning Activity eligible for up to 8.75 Section 1 credits as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. This program also meets the accreditation criteria for a maximum of 8.75 Category 1 credits toward the American Medical Association Physician’s Recognition Award. Each physician should claim only those credits he/she actually spent in the activity.
Refunds and Cancellations

Refunds and Cancellation Policy
This course incurs significant non-refundable expenses prior to the course—please read and carefully understand our cancellation policy before submitting your registration:

1. Cancellation by individual registrant:
   Should you be required to cancel your registration you must do so immediately in writing by email to cpd.info@ubc.ca or via fax at 604-875-5078 before the “Refund cut off date” of March 25, 2011. After you have successfully contacted our office with notice of your cancellation then return by mail your Income Tax Receipt. At this point your registration will be refunded less a $50 handling charge. Between March 25, 2011 and the conference date, no refunds will be granted for withdrawal, unless a replacement can be secured by the registrant the $50 cancellation fee to the original registrant will still apply should a replacement be found. For more details on the CPD cancellation and refund policy visit www.ubccpd.ca then click “About Us” and “Refund and Cancellation Policies and Procedures”.

2. Cancellation by the organizers:
   The Division of Continuing Professional Development reserves the right to cancel a course between 10-20 business days prior to the course date. Each registrant will be notified by telephone, followed by written notification and full refund. The University of British Columbia is not responsible for any costs, including but not limited to airline or hotel penalties.
